SOBRE O

BOOK DE CORTINAS E XALES ITALIANOS

Com uma paleta de **232 cores e 10 coleções exclusivas**, o Book de Cortinas e Xales Italianos da Hunter Douglas, apresentado em Milão — capital mundial da moda e do design —, leva ao seu projeto a elegância e o refinamento da alta costura italiana.

Confeccionada com tecidos nobres como poliéster, linho, algodão e viscose, essa linha oferece caimento impecável e um toque sofisticado. Ideal para sobrepor e coordenar com outras cortinas da marca, proporciona composições personalizadas, equilibrando visibilidade e privacidade com leveza e estilo.

- Imagens captadas a partir dos tecidos reais. Pequenas variações de cor podem ocorrer devido à iluminação e à tecnologia de exibição.
